https://piazza.com/class_profile/get_resource/kmpl37jb99p7fa/kp2ja3dtwzf2rk

[System Test Scenarios (25 points per sprint - total 75 points)]

Unit Tests

- Todolist_tests.py
 - Tests capability of adding tasks to the todo list and whether it is stored properly in Chrome storage or not (todo.js)
 - Adds 3 tasks to the list, refreshes the page, and asserts that the size of the list is 3
